~~computer code for generating back-end debugger interface computer code from the formal specification.~~
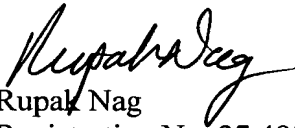

REMARKS

The amendments above are to clarify that the code generator is utilized to parse the formal specification. The amendments also correct minor § 112 errors.

It is believed that no fees are due in conjunction with the filing of this Response to Final Office Action. If any necessary fees are due in conjunction with this response, please charge our deposit account 50-0388 (Order No. SUN1P252).

Applicant believes that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,
BEYER WEAVER & THOMAS, LLP
